## CPP Saved The Day!

The above substation was submerged in water and just hours away from causing a critical plant shutdown. CPP crews were gathered along with four HT6 Mighty pumps and 2,500 feet of lay flat hose to drain the station and resolve the situation.

If we can assist you with your Dive, Pump, Barge, Dredge needs, email us any time at [sales@canadapumpandpower.com](mailto:sales@canadapumpandpower.com) or call us at 1-877-898-3494. You can check out our line of pumps and other industrial marine equipment at [www.mightypumps.com](http://www.mightypumps.com).
