CANADA PUMP & POWER

## Oil Sands Trade Show

Canada Pump and Power would like to thank those of you who stopped by our booth at the Oil Sands Trade Show and Conference, earlier this month. This show was a big success, thanks to all of you.

To complement our large digital display that showed off a variety of CPP's equipment, we brought a Mighty Pumps HT8 to the show along with a Cornell Redi-Prime pump end. We had a great turn-out of new and existing customers

If we can assist you with your Dive, Pump, Barge, or Dredge needs, email us any time at [sales@canadapumpandpower.com](mailto:sales@canadapumpandpower.com) or call us at [1-877-898-3494](tel:1-877-898-3494). You can check out our line of pumps and other industrial marine equipment at [www.mightypumps.com](http://www.mightypumps.com).
