Canada Pump & Power Fort McMurray Yard

In order to service the needs of our clients most effectively, Canada Pump & Power has a large yard right in Fort McMurray in addition to our Edmonton area yards. This yard is efficiently organized with the equipment we think is most critical to ensure we can service your needs promptly without waiting to bring things up from Edmonton.

If we can assist you with your Dive, Pump, Barge, or Dredge needs, email us any time at sales@canadapumpandpower.com or call us at 1-877-898-3494. You can check out our line of pumps and other industrial marine equipment at www.mightypumps.com.
