MIGHTY PUMPS

CPP Floating Walkways

Canada Pump and Power engineers have designed and built a wider, safer, simpler, and more cost effective floating walkway. Each section is 40 feet long by eight feet wide, and arrives on site ready to drop into the water with no assembly or modification required. We have these units on the ground in one of our Fort McMurray yards ready to rent!

If we can assist you with your Dive, Pump, Barge, or Dredge needs, email us any time at sales@canadapumpandpower.com or call us at 1-877-898-3494. You can check out our line of pumps and other industrial marine equipment at www.mightypumps.com.

Item Number	Title	Stock	Size	Quantity
1	CHANNEL BRACE	CA1025	8"	9
2	POSITION	30 WPS PIPE STD WALL 6.375"	47525	2
3	POSITION CAP	PLD375	DM 30	4
4	REC MAT		8' x 40'	1
5	FRITCLE RING			1
