HDPE Fusion, Pump and Dredge Training!

The number one focus at Canada Pump and Power is Safety and in order to achieve the level of safety we require; regular training is of integral importance. Canada Pump and Power flew in an expert to teach HDPE fusion, Pump and Dredge training classes over five days this November to ensure our operators continue to lead the industry in their knowledge of the jobs they do.

If we can assist you with your Dive, Pump, Barge, or Dredge needs, email us any time at sales@canadapumpandpower.com or call us at 1-877-898-3494. You can check out our line of pumps and other industrial marine equipment at www.mightypumps.com.
