## Supporting Local Community Teams!

Canada Pump and Power (CPP) has been supporting youth athletics since the company started in 2010. You will find CPP banners, shirts and donations being used to encourage amateur athletes in hockey rinks, baseball diamonds and gymnasiums in the communities where we live and work. We consider these contributions our way of passing on the values of health, wellness, and team player attributes to the next generation. We have supported U-16 Hockey and Midget AAA Baseball in Fort McMurray and Bantam/Midget Hockey in Edmonton.

Most recently we have sponsored the **Midget AAA Oil Giants** and wish them the best of luck in the 2017 baseball season.

Last year we sponsored the **TEAM UNITED** inline Hockey Team who went on to win gold at the Junior Olympics in Kapolei, Hawaii!

If we can help you with any of your marine industrial needs, call us anytime at 1-780-922-1178 or email us at [Sales@MightyPumps.com](mailto:Sales@MightyPumps.com).
