December 2017 Newsletter

# HAPPY HOLIDAYS

As 2017 comes to an end, we reflect on the year that has passed. We have had the busiest year in our history, with more personnel, clients, and responsibilities.

A big thank you to all of our clients who enabled Canada Pump and Power to grow. All of us at CPP and many of our suppliers care deeply about providing our customers with safe, effective service that you are completely satisfied with. We want to be the Industrial Marine Company that you recommend to others!

In 2017 we have revolutionized the dredging industry with our patented Autonomous Mighty Dredge and expanded into new regions. We also significantly expanded our fleet of pumps, dredges, barge units and commercial diving systems.

If we can help you with any of your marine industrial needs, call us anytime at 1-780-922-1178 or email us at [Sales@MightyPumps.com](mailto:Sales@MightyPumps.com).
