2010 Oil Sands Trade Show

8" High Head Water Pump – 600 HP

8" High Head Trash Pump – 129 HP

Thank you to everyone who stopped by our booth at the 2010 Oil Sands Trade Show!! The show was held at the Suncor Leisure Center on MacDonald Island in Fort McMurray, September 14 – 15. With over 4,000 registered visitors and 400 exhibitors, the show was a huge success! We had 5 pumps on display: (2) HT8's, (1) HW8, (1) DT12, and (1) 8NNT.

We also displayed our R&D Project - the Automatic Dredge which is programmed to complete a specific profile and carry out its mission unattended – just like a robot! The door prize, a Garmin GPS, was won by Ivan Decker of Suncor – Congratulations Ivan!

8NNT Cornell Pump End

Automatic Dredge

We hope to see you all again next year!
Don't forget to mark your calendar for September 13 – 14, 2011!
