The Monthly Newsletter of Canada Pump and Power

September 2011

**PUMP • BARGE • DREDGE**

## Oil Sands Trade Show in Fort McMurray

On September 13 & 14 we were at the Trade Show in Fort McMurray with our Pumps, Generators, Pipe Plugs and sponsored Sprint Car on display! Thank you to everyone who came by and a huge thanks to our suppliers for their support in preparation of the show. Our door prize was a trip to Portland, Oregon for a tour of the Cornell Pump Factory – congratulations to Greg Simmons and Scott Dodds for winning and we hope you enjoy your trip in October! The Sprint Car is owned by our employee Matthew Davies, sponsored by CPP and will be racing in Florida in December.

Pipe Plugs are a new product for us to distribute, made by Lansas Products.

For more information on products available please visit their website, [www.lansas.com](http://www.lansas.com).

We hope to see you all again next year!
