Workboats Available for Your Next Project!

Canada Pump and Power's (CPP) fleet of workboats and certified crews are ready and available to assist you on your next project. Our fleet includes safety boats, rescue boats, jet boats, icebreakers, tugs and pushboats that range from 25 HP to 500HP.

Whether you need to keep your waterways open, reposition a floating structure, complete marine work, or simply shuttle personnel, CPP has all of your marine project needs covered.

Contact our team of experienced members to help discuss, design and execute your marine project today!

Canada Pump and Power is committed to being the best and easiest solution for all industrial marine services and products. Please give us a call at 1-780-922-1178 or email CPP at sales@canadapumpandpower.com for any industrial marine products or service solutions!
